(Friends of St John)

We are pleased to welcome Lorraine Tingle of South Anston as our new treasurer.

The next meeting will take place in the Hatfeild Arms on Wednesday 25th February 2009 7pm. All are welcome to attend.

Suggestions for activities to raise funds for and the use of St. John for that purpose will be discussed.

A group from Rother Valley College have planted daffodil bulbs in the St John churchyard and will be doing more work when the weather improves.
